

# I.M.E.A. SENIOR BAND AUDITION SCALES

Flute

The image displays 12 staves of musical notation for flute scales. Each staff begins with a treble clef and a common time signature (C). The scales are organized into two groups of six, each with a distinct key signature indicated by the number of sharps or flats at the beginning of the staff. The first group of six scales uses a key signature of one flat (B-flat major or D minor), and the second group of six scales uses a key signature of three sharps (F# major or C# minor). Each scale consists of a sequence of eighth and sixteenth notes, often with slurs and accents, designed to test technical proficiency and intonation. The scales progress through various intervals and melodic contours, including ascending and descending lines, and some include trills or grace notes.
